FLAP Summer

TEEN LANGUAGE and ACTIVITY CAMP

With plenty of attractions to discover, local markets, and many incredible festivals to enjoy, Montreal or Quebec are the ideal bilingual cities to spend the summer and have fun. Flap participants will gain fantastic educational and life experiences, all while forging friendships with students from around the world. It's a unique opportunity to make the most of your language journey in two of Canada's most culturally vibrant cities.

Activities and Weekend Tours

Great weekend excursions and fun everyday after-school activities make for enjoyable learning opportunities. The summer activity program includes biking, rafting, rock climbing, shopping, sightseeing, visits to the Biodome, the Biosphere, the Botanical Gardens, a sugar shack, and weekend tours to Toronto, Niagara Falls, Quebec City, and more.

Accommodation

Homestay

Living with a host family is like living in a home away from home. Our host families are carefully selected.

The homestay option includes:

- Shared room
- Three meals per day
- Support from the host family

Residential

Living in residence will allow you to connect with other international students for the duration of your program. You will have access to 24/7 support and supervision offered by friendly staff who will be there for you throughout your stay.

High Quality Academic Program

BLI guarantees the highest quality in the programs we offer. Experienced, professional, and certified instructors lead all of our classes.

Our strong communicative-based curriculum is specifically designed to teach and motivate young learners and keep them interested in our classes. It makes learning what it should be: FUN!

All the topics are carefully thought out, age-appropriate, and aimed toward teenagers and their interests.

Our classes are small, with a maximum of 18 students per class. Students get the individual attention they need.

Classes take place either at our main campus in the heart of Montreal or in our beautiful Quebec School, both easily accessible by public transport.

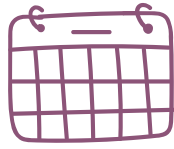

During the morning, students study general English and French within the day's theme. They will work with their classmates to create and present projects in the afternoon.

Our workshops encourage linguistic autonomy, flexibility, and results! Students will work collaboratively with their teacher and peers on daily projects to complete and present.

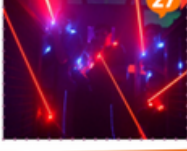

Each week, lessons revolve around a specific theme:

- Art
- Technology
- Science
- Food
- Culture
- Sports

FAQ & Quebec City and Montreal Fun Facts

66.5% of Montreals speak French as their mother tongue, and 92% are fluent in English and French, making Montreal the most bilingual city in Canada.

Montreal has the highest number of restaurants per capita in Canada and the second highest in North America after New York City.

The Underground City – a series of interconnected tunnels beneath Montreal runs for over 32 km (20 mi). In the winter, over 500,000 people use the tunnels daily. The tunnels connect shopping malls, museums, universities, hotels, banks, offices, and seven metro stations.

In Quebec City, you'll discover a rich history within its UNESCO World Heritage-listed Old Town, with cobblestone streets and charming European architecture. The iconic Château Frontenac, a historic luxury hotel, stands as the most photographed hotel in the world.

Is the city safe?

Students are accompanied by their leader at all times; however, they are allowed to travel independently between their homestay and the summer campuses. While the cities are generally safe and residents are friendly and helpful, students should remain vigilant of their surroundings and promptly report any suspicious activity or discomfort to either a BLI staff member or their homestay family.

Am I allowed to explore on my own?

If you would like to explore the city by yourself or have a family member you want to spend some time with, ask your leader for the authorization form. You may be allowed to leave one time for a period of a few hours.

What if I get lost?

BLI's emergency number will be available 24/7 if you need it. Call or text the emergency number so one of the leaders can come and find you.

What should I pack in my suitcase?

While summer in Canada is fantastic, it can still have cool evenings, so it's crucial to be well-prepared. We suggest bringing lightweight, comfortable clothing suitable for warm weather, such as t-shirts, shorts, swimsuits, and sunscreen. Don't forget to include a light jacket or sweater for cooler evenings and any outdoor adventures you will embark on.

Do I have to travel to school by myself?

If you are staying with a host family, they will give you instructions on how to get to and from school by public transportation. You can always travel with your roommate. Students in residence will always travel with their leaders.
