

Explore a World-Class Education in Ontario

Study K-12 at Grand Erie District School Board

Grand Erie District School Board
Brantford, Ontario, Canada
www.granderie.ca

Welcome to Grand Erie

We are a public K-12 school district in the heart of south-western Ontario, where affordability intersects with educational excellence.

We deliver the world-class Ontario curriculum and our schools are staffed by certified teachers.

Our vision is to Learn, Lead and Inspire – through a rigorous and enriching educational experience. Whether you seek long-term academics, or a shorter-term exploration of arts and technology, English or French immersion, environmental studies, or a unique exposure to Indigenous culture, we offer exciting pathways.

We prioritize student support through a comprehensive orientation process, reputable homestay services, targeted ESL assistance, and ongoing academic guidance, complemented by support from our Canadian student ambassadors.

Grand Erie is home to bustling urban settings, historic towns and picturesque countryside. Larger urban centres like London, Hamilton and Toronto are nearby. The beautiful Grand River stretches through our district to meet up with Lake Erie offering water sports and fishing. Nature lovers will enjoy the district's natural beauty, conservations areas and trails.

The area is home to university and community college campuses. As well, six universities - McMaster, Western, Wilfrid Laurier, Brock, Guelph and Waterloo are within a one-hour drive.

We eagerly invite you to join us for an amazing academic and cultural adventure!
