Leisure program

The learning journey continues as soon as classes finish! With our comprehensive leisure programme students have the opportunity to really discover their chosen destination.

A two-week language course generally includes a big variety of activities plus at least 1 full-day excursion and 2 half-day excursions (see table below for more details). Of course, students are also given some free time to socialise in the afternoons and evenings!

Supervision

Throughout the trip learners are accompanied by our „Teamers“; young adults between the ages of 21 and 30 who have been specially trained to accommodate the requirements of our young learners. Our Teamers come to us from all over Europe and America, and communicate with students exclusively in the language being taught. Each Teamer is responsible for the supervision of up to 15 students, accompanying the group throughout the day, as well as staying with them at the residence.

Teamers are also responsible for the organisation of the leisure activity programme. Students aged 17 and under are expected to observe a curfew and follow the full leisure programme. Students on our U20 programme aged between 18 and 21 also enjoy the complete support of the Teamers, and while not bound by the leisure programme, are encouraged to take part in any activities which are of interest to them.

Our courses

Regardless of your choice of course, you'll develop your language ability both quickly and effectively. Our Standard Course guarantees a dramatic boost to your confidence in a foreign language, with focused teaching in all 4 skill areas: speaking, listening, reading and writing with 20 lessons per week. Our Intensive Course builds on our Standard Course, with 10 additional lessons per week, guaranteeing the fastest possible language acquisition.

Teaching time

The Standard Course generally takes place between 9:00 and 12:30, Monday to Friday.

Students who choose the Intensive Course have additional lessons between 13:00 and 14:30. Teaching times can occasionally vary, depending on the course location, and classes are sometimes held in the afternoon.

Each lesson consists of 45 minutes of learning.

Evaluation

Students are placed into classes according to their current language skills. The majority of our students take an online language test prior to commencing their programme, however if this is not available, students may take the exam on the first Monday of their course.

Learning materials are provided to students throughout their course, and there will never be more than 15 participants in each class.

Spend time making friends

Travel as you like

Transfer

Our U20 programmes offer the full package – students are in good hands from beginning to end of their trips. Students will be picked up at the airport upon arrival and brought to their accommodation in comfort. For this, we require the student’s full flight details at least 4 weeks before the course commencement.

Transfer time-windows vary depending on the destination and detailed information can be found on the individual school pages of this brochure. Students travel to and from the airport with their fellow classmates, most of whom they will be meeting for the first time.

The transfer provides students with the first of many opportunities to make new friends. Students generally check in to their accommodation in the afternoon, and vacate their room in the morning of the day of their departure. They may be asked to pay a key deposit when staying at a residence, which will be returned on their day of departure.

Meals Allergies & Dietary Needs

We understand that sampling new food can play a big part in discovering a new country and its culture.

Students are provided with breakfast, dinner and either a cooked or packed lunch (which consists of a sandwich, a drink and a dessert). Students always have the opportunity to try something typical of the country they are visiting.

Unaccompanied Minor Service

With our unaccompanied minor service parents are informed of the name, telephone number and the address of the transfer driver well in advance of the start of the trip.

Please note that we only offer the unaccompanied minor service if this is required by the airline booked for the flight of your child.

Your Stay

Accommodations

Accommodation

At Sprachcaffe we understand that a good night's sleep can play an integral role in promoting effective learning. That is why we do everything possible to ensure your home away from home exceeds your every expectation.

We provide our guests with a range of accommodation options, with something to suit every taste and budget. But whichever option you choose, you'll feel at home from day one at Sprachcaffe.

Homestay

Students staying at a homestay enjoy total immersion in their chosen language and culture. By staying with locals, students get to discover the customs and idioms of their destination from the word go, sampling authentic local cooking and uncovering how the locals really live.

Residence / College

At a residence, students stay closer to school than they would with a homestay, which means less travel-time and more time enjoying their surroundings. Students who choose to stay in a residence, will get to stay with other language students from all over the world, allowing them to put their new language skills to use in a thoroughly international environment. Our Teamers also stay at the residence. Our Colleges offer accommodation and classes all in one place.

Learning continues when lessons finish. Our friendly homestays are experienced in hosting international students and play an integral part in their learning experience. Rooms are always shared with other fellow students of the same gender.

Club Village (Malta only)

Our Club Village in Malta is truly unique. The accommodation is right on campus, alongside the language school, swimming pool, restaurant and sports facilities.

Choose from a range of room types from a twin-bed room to a 7-bed dorm. Our Teamers also stay in the Club Village.

Depending on the location, host families may be located outside of the town centre, meaning students get to know parts of their destination which usually remain undiscovered by tourists. Many, but not all homestays offer Wi-Fi Internet. Where unavailable, students can take advantage of internet cafés in the local area.

Joint accommodation

If you're planning to travel with friends and would like to share your room with someone in particular please let us know well in advance so we can take this into consideration when allocating accommodation.

We can't guarantee all requests, but we will do our best! Note: in rare cases we reserve the right to offer accommodation that is not identical to that mentioned in this brochure.

Au Pair / Demi Pair

If you enjoy travelling, you can now experience a different country in a very special way – as an au pair or demi pair. This is your chance to plunge into a whole new cultural experience. This programme is ideal, if you would like to make the most of your gap or holiday time, just before you start studying or working.

To ensure that you have the correct foundations of your destination country's language, we will first teach you the fundamentals in one of our 30 centres worldwide and then help you to find the perfect host family.

As an au pair or demi pair, you'll experience your chosen culture first-hand, pick up the language quickly and also make life-long friends. In some cases, families ask their au pairs or demi pairs to teach the children their native language. As your time as an au pair or demi pair is certain to lead to you mastering the local language, this is the perfect example of how mutually beneficial being an au pair is for everyone involved.

For several months, you will be living as an au pair with a host family, take care of their children

and help with small housekeeping duties. Your working hours, length of stay and pocket money are depending on the host country. A minimum of 8-weeks language course is obligatory at the beginning of this programme.

As a demi pair, you will attend language classes five days a week in the morning to learn and enhance the necessary language skills for your occupation.

In the afternoon, you will take care of your duties as an au pair. Variety and fun guaranteed!

Highschool Programme in Canada

Attending a High School abroad is a real adventure, complete with a happy ending. You'll broaden your horizons, gain knowledge and get to know subjects you definitely didn't know about before.

New culture, new perspectives.

School is one thing, daily life is another. A High School year also teaches you about the local people, their country and traditions. And that will make you more open-minded. Living and learning together, you and your new friends will become inseparable. Your classmates will be curious about your country and backstory! You'll make friends easily and, more importantly, most of them will be friends for long after High School.

When and how long can I attend?

Starting after the summer break, you can stay for five months or a whole school year.

How do I apply?

Simply fill in the form on the last page and hand it in together with a short self-description and copies of your last school certificates. Of course it is also possible online.

What is an Application Pack?

It contains further documents like a letter from you to your host family, a reference letter from your teacher and a certificate from your general practitioner.

Further information?

We'll send you information about your journey on a regular basis. Also, you will have a personal High School mentor who already took part in the programme. Despite, our local supervisors will always be on your side.

The insurance fee must be settled at the time of registration and will only apply if you cancel prior to departure due to health reasons (a written confirmation from the relevant doctor is required as proof). In the unlikely event the school is unable to create a group course due to an insufficient number of students of the same level, smaller classes for a reduced number of lessons will be provided instead (standard = 12 lessons / intensive = 18 lessons). The minimum number of participants is 4. Under the rare circumstances of our being forced to cancel, all fees paid for Sprachcaffe Languages PLUS services will be refunded.

4. Visa: In order to provide the letter of acceptance required by the embassy for issuing a visa, 40% of the total amount should be paid together with an additional charge of non-refundable 40 GBP/50 EUR/ 50 USD/ 65 CAD or equivalent (in USA and Canada this amount is included in the registration fee); non-refundable shipping fees may apply. In the case of visa refusal, a full refund minus the additional, non-refundable fees can only be made if the student provides the letter of refusal issued by the embassy at least 15 days before departure (evidence of visa refusal is required). After this date we will consider the participation of the student as confirmed and normal cancellation/rebooking charges will apply. In case the visa has not yet been issued 16 days before departure, we strongly recommend postponing the course. In this case, the first rebooking fee will not be charged.

5. Acceptable forms of payment: By bank transfer: The relevant account number will be on the invoice. Please send us a copy of the transfer order. All bank charges will be incurred by you. By credit card: Upon your notification, the appropriate form will be sent. It will need to be completed with the name of the credit card issuer, card number, expiry date and signature. An additional 2% credit card fee will be charged.

6. Insurance: Neither agent, operator, nor the school will be held responsible in any way for any accident, illness, loss of personal effects or change in personal circumstances arising at any time prior to or during the course. We therefore strongly recommend a personal travel insurance (incl. Health, Accident, Liability, Deportation: Basic protection from 1 GBP/1.30 EUR/1.30 USD/1.70 CAD per person per day plus a service charge of 10 GBP/13 EUR/13 USD/ 17 CAD).
